The British Empire comprised the dominions, colonies, protectorates, mandates and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...

This is an incomplete listing of some very bad things that happened before the 20th Century. I've scoured the history books and collected most of the major atrocities that anyone has bothered to enumerate. However, just because an event is missing from these pages doesn't mean that it wasn't very bloody.
